it walks,
it talks,
it flashes,
it blinks.

it flips,
it twirls,
it dances,
it sings.

it skips,
it smirks,
it smiles,
it rings.

Oh - and we need it
by Friday.

At RJ Studios anything is possible!

 Precision Machined
Cast Aluminum Plate

When Accuracy Counts...

For dimensional accuracy in critical applications, specify **Mc-6** Precision Machined Cast Aluminum Plate to hold precise tolerances with virtually no distortion during and after processing. **Mc-6** has a stress-relieved granular structure and precision-machined surface that give design engineers the freedom to create. **to make it right.**

 For full technical details and literature, contact Alcoa PMP Products.

Meet Wendy...

She saved some serious cash by reducing her monthly web-hosting fees. **How, you ask?** By switching to a Co-Locating Server with **Enter.net**.

It goes like this...

Wendy owns the server, but it is housed and maintained by **Enter.net** — She doesn't have any server space charges, but she does have 24/7 maintenance and direct connection to high speed lines.
